

Nazz, Plenty Of Lovin'

I've got plenty of love for you
Golden rings for your fingers too
Well I can dance and tell jokes too
If you'll buy me a drink of my favorite brew

Let's make plans full of fun and games
I'll sing you a song, you can call me names
I'd love to hear anything you say
Just another few dollars, I'll be on my way

I've got plenty of love for sure
A mind that's clean and a heart that's pure
So let's get together for a couple more
'Cause I've got plenty of love that's for sure
