

# Ne-Yo, Because Of You (Remix)

(Verse One - Kanye West)

Yeezy, Ne-yo, the remix ayo  
I think it's time to hit em with the Mase flow  
My uh she was gettin the best of me  
But oooh child you my destiny  
and I know it's especially  
hard with all these girls just testin me  
uh and you gon question me  
if she even stand next to me  
but you should laugh  
cuz u my better half  
and these girls just fightin over the rest of me  
right now it feels so crazy  
I know she just some lady  
and my outfit just so 80's  
not to mention my car my mercedes  
and the 26 inch rim wheels  
looks so good with your 6-inch heels  
fly that you be on gone  
gucci on  
aligned by Louie Vuitton  
and we hot as the way we cruisin on  
highlight I like mercury  
Why do I mention the solar system?  
cuz you in my soul and system  
and we gon take her home wit this one  
I got somethin that you gon like  
you got somethin that I can't fight  
we got somethin that we both gon right

(Chorus)

And I know this much is true  
Baby, you have become my addiction, I'm so strung out on you  
I can barely move but I like it  
And it's all because of you (x3)  
And it's all because...  
Never get enough,  
She's the sweetest drug

(Verse 2 - Ne-Yo)

Think of it every second  
I can't get nothing done,  
Only concern is the next time, I'm gonna get me some  
Know I should stay away from, cause it's no good for me  
I try and try but my obsession wont let me leave

(Hook)

I got a problem and I don't know what to do about it  
Even if I did, I don't know if I would quit but I doubt it  
I'm taken by the thought of it

(Chorus)

(Bridge)

Ain't no doubt, so strung out (x2)  
Over you, over you, over you

(Outro)

Because of you,  
And it's all because of you,  
Never get enough  
She's the sweetest drug, she's the sweetest drug
