

# Ne-Yo, Forever Now

Was gonna give you these flowers tonight  
Was gonna ask you to stay  
Practiced so that I would say it just right  
But now there are no words to say

As I watch you kiss him softly  
The same way you kissed me  
I scream what am I gonna do with forever now  
Tell me, what am I gonna do with forever now?

All the plans we made don't work if you're not around  
So tell me, what am I gonna do with forever now?

What do I do now?  
What do I do now?

In slow motion I led these flowers in the ground  
And right before I turn to leave  
I watch you kiss him softly  
Then look up and see me  
I scream what am I gonna do with forever now  
Tell me, what am I gonna do with forever now?

All the plans we made don't work if you're not around  
So tell me, what am I gonna do with forever now?

What do I do now?

Everything you said we would be  
All the things you said we'd do  
I had all my life around the thought of me and you

And I scream what am I gonna do with forever now  
What do I do? What do I do now?  
Tell me, what am I gonna do with forever now?  
What do I do? What do I do now?

All the plans we made don't work if you're not around  
So tell me, what am I gonna do with forever now?

What do I do now?  
What do I do now?  
What do I do now?  
What do I do? What do I do now?  
What do I do now?  
What do I do? What do I do now?  
What do I do now?
