

# Ne-Yo, Good Girls Gone Bad

We stay moving around solo  
Ask us where you at  
We dont know and dont care (dont care)  
All we know is we was at home cuz you left us there  
You got your boys and got gone and left us all alone  
Now she in the club with a freaky dress on  
Cats dont want her to keep that dress on  
Tryna get enough drinks in her system  
Take her to the telly and make her a victim  
Patrone on the brain  
Ball Player in her face  
They shake the spot  
Shes just another case  
Easy for a good girl to go bad  
And once we gone  
Best believe we gone forever  
Dont be the reason  
Dont be the reason  
You better learn how to treat us right  
Cuz once a good girl goes bad  
We die forever  
He stay with the flock of em o ya  
Got a girl at home but he dont care  
Wont care(Won't care)  
All he do is keep me at home  
Wont let me go no where  
He thinks because im at home  
I wont be gettin it on  
And now im finding numbers  
In the jacket pockets  
Chicks calling the house  
Non-stop  
Its getting out of control  
Finally I cant take no more  
He finds a letter on the stairs  
Saying this is the end  
I packed my bag and left with your best friend, Oh  
Easy for a good girl to go bad  
And once we gone  
Best believe we gone forever  
Dont be the reason  
Dont be the reason  
You better learn how to treat us right  
Cuz once a good girl goes bad  
We gone forever  
We stay moving around solo  
Ask us where you at  
We dont know  
And dont care (don't care)  
All we know is we was at home cuz you left us there  
You got your boys and got gone and left us all alone, Ooooooh  
Easy for a good girl to go bad  
And once we gone  
Best believe we gone forever
