

# Ne-Yo, The Plan

Spoken:

How's everybody doing  
Hope you're enjoying the truth, the way, the problem, thus far  
This is your friendly host Ne-Yo  
I'd like to entitle this master piece here, The Plan  
For all my folks in the club  
Ya'll know what it is  
Rock with me

Verse 1:

Well can I be honest baby  
(I don't know your name)  
And if you never told me  
Where I'm gonna lead is the same  
I'm trynna (Get that, hit that)  
Drop you off somewhere  
And then (Get back)  
To the club and do it all again  
But lets not focus on the future  
Did you come here with your friends  
Please keep one of your keys  
Cuz you coming with me  
Sorry, If i'm bossing  
You want down  
But I like what I see  
And I get what I like  
And thats how its going down  
Girl

Chorus:

You gon finish that drink (And)  
I'm gon finish this drink (And)  
We gon go and get in my ride (Okay and then)  
You gon take your clothes off (And)  
I'm gon take my clothes off (And)  
We gon go somewhere and get right (Alright, hey)

Sounds like a plan to me little mama  
Sounds like a plan to me, yeah  
Sounds like a plan to me little mama  
Sounds like a plan to me, yeah

Verse 2:

Well can you take me to the place where the grass is greener  
Ladies roll with me because my whip is cleaner  
On average, we come to my crib  
Hot sex, we're having it  
Slingin baby, frontin baby  
Well, that could be having it  
Can I get a witness  
I like girls with thickness  
Head game, insane  
Stay up out of business  
Shorty, just shake that thing to the sound  
But I like what I see  
And I get what I like  
And that's how its going down (Oh)

Chorus:

You gon finish that drink (And)  
I'm gon finish this drink (And)  
We gon go and get in my ride (Hey hey, Okay and then)  
You gon take your clothes off (And)  
I'm gon take my clothes off (Oh Yeah)

We gon go somewhere and get right (Hey, hey)

Sounds like a plan to me little mama (oh)

Sounds like a plan to me, yeah (Said it sounds like a plan to me)

Sounds like a plan to me little mama (Oh yeah)

Sounds like a plan to me, yeah
