

Ne-Yo, Waiting

six o'clock
seconds feel like hours
as i sit here
and watch them tick away
and just the thought
of seeing you again
i wanna dance
i've longed for this day
so i'll be waiting
cuz i can't smile
until i see your smile
i'll be waiting
there's nothing else that
i would rather do
i'll be waiting
cuz i can't sleep
until i feel your touch
i'll be waiting
patiently i'll wait right here for you
waiting for you
twelve a.m,
crowd is getting thin
but that's okay
cuz i'm not here for them, no
i refuse,
to move from this spot
until i feel your heart
pressed against mine again
(oh baby)
so i'll be waiting
cuz i can't smile
until i see your smile
i'll be waiting
there's nothing else that
i would rather do
i'll be waiting
cuz i can't sleep
until i feel your touch
i'll be waiting
patiently i'll wait right here for you
i don't care how long it takes
i don't mind, i'll sit and wait
till the sun goes down
and comes back up again
cuz you're the best thing in my life
without you it just ain't right
so take as long as you like
i'll still be waiting
so i'll be waiting (waiting)
cuz i can't smile
until i see your smile
i'll be waiting (waiting)
there's nothing else that
i would rather do
i'll be waiting (waiting)
cuz i can't sleep
until i feel your touch
i'll be waiting (waiting)
patiently i'll wait right here for you
i'll be waiting (waiting)
i'll be waiting (waiting)
i'll be waiting (waiting)
i'll be waiting (waiting)
