

Nea, A Lover Like Me

I can't get no satisfaction
So I wish I had a lover like me
Cus I've been looking for some action
Yea I wish I had a lover like me
Cus the girls so pretty
And the boy so hot
but they don't know my body
I can't no satisfaction
So I wish I had a lover like me

You know I'd fall instantly
If you had a little swag like me
If you could connect to my inner feels
Or had a similar energy
I've been trying this and that
I've been doing him and her
But no body else will do
And It's about me it's not bout you

If my mama loved u
Like she loves me
But she's hard to please
There's only one me
I've been longing for hands on my body
It's just no one out there seems to get me
Yea yea

I can't get no satisfaction
So I wish I had a lover like me
Cus I've been looking for some action
Yea I wish I had a lover like me
Cus the girls so pretty
And the boy so hot
but they don't know my body
I can't no satisfaction
So I wish I had a lover like me

We could stay in bed all day
Then go out and stay til late
Imagine how happy we could be
If it was only me and me

If my mama loved u
Like she loves me
But she's hard to please
There's only one me
I've been longing for hands on my body
It's just no one out there seems to get me
Yea yea

I can't get no satisfaction
So I wish I had a lover like me
Cus I've been looking for some action
Yea I wish I had a lover like me
Cus the girls so pretty
And the boy so hot
but they don't
know my body
I can't no satisfaction
So I wish I had a lover like me
