

Neal McCoy, Heaven

I could climb up to the top of a mountain
I could fly a plane as high as it could go
But still I'd be no closer to Heaven
I'll have to wait until it's time to go home

I stood upon the edge of the Grand Canyon
And yes, it is a miracle to see
But even though it's hard to imagine
There is a place more beautiful to me

And I thank God that there's a Heaven
A place to go when my days are through
I do not have to go far to get there, not yet
Cause Heaven is at home with you

After all the years that we have been together
I don't have to ask what love is worth
Cause when I hold you close there is no question
That Heaven really can be found on Earth

And I thank God that there's a Heaven
A place to go when my days are through
I do not have to go far to get there, not yet
Cause Heaven is at home with you

My Heaven is at home with you
