

Neal McCoy, Luckiest Man In The World

Sometimes I get so down
I feel so lost and blue
And I don't know why
And yes I, I forget to say the things I know are true
Like you're beautiful
As the morning sky

Life can seem so dark and difficult
But sometimes so can I
But you stay by me
Patiently
Until I see the light

And when I open up my eyes
I'll tell you what I see
I see a man in the mirror who has everything
Looking back at me

Yes, I realize
That since I found you, girl
I'm the luckiest man in the world

Sometimes
I forget to thank God
For blessings I've got today
How can that be?

Coz Really I, I'm a grateful man
And here I stand amazed
At everything one soul could need

I'm not offering excuses
I'm just telling you the truth
And the truth is baby all I am
Starts and ends with you

But when I open up my eyes
I'll tell you what I see
I see a man in the mirror who has everything
Looking back at me

Yes, I realize
That since I found you, girl
I'm the luckiest man in the world
Yeah
Yes I am

When I open up my eyes
I'll tell you what I see
I see a man in the mirror who has everything
Looking back at me

And I shouldn't be surprised
That since I found you, girl
I'm the luckiest man in the world
I'm the luckiest man in the world
