

Neal McCoy, That Woman Of Mine

There ain't nothin' like the water
When you're dying of thirst
Nothin' like a kiss
When you're gettin' your first
Nothin' like an hour
When you run outta time
Nothin' like the love of that woman of mine

There ain't nothin' like a sign
When you're searchin' for home
Nothin' like a call
When you're feelin' alone
Nothin' like a friend
On the end of the line
Nothin' like the love of that woman of mine

In my darkest night
She is my guiding light
I know when she holds me tight
We'll go on forever

In my darkest night
She is my guiding light
I know when she holds me tight
We'll go on forever

There ain't nothin' like a spark
When you're startin' a flame
Nothin' like a voice
When it's callin' your name
Nothin' like the moon
When it shines in her eyes
Nothin' like the love of that woman of mine

There ain't nothin' like the love
Of that woman of mine

Oh, nothin' like the love
Of that woman of mine

There ain't nothin' like the love
Of that woman of mine

Hmmm, nothin' like that
Nothin' like that woman of mine
