

# Neal McCoy, The Girls Of Summer

(Bobby Carmichael/Randy Boudreaux)

For three long months it's been cold and gray  
Too much work and not enough play  
But that old groundhog didn't see it's shadow today  
It won't be long, heaven's on its way

I can't wait for the girls of summer  
All makes all models all styles and shapes  
In their cut off jeans and string bikinis  
On sandy beaches rivers and lakes  
Those wintertime blues sure been a bummer  
And I can't wait for the girls of summer

I hold their memories in the wintertime  
And watch 'em come alive in the warm sunshine  
From coast to coast in every city and town  
Cruisin' around with their tops rolled down

I can't wait for the girls of summer  
All makes all models all styles and shapes  
In their cut off jeans and string bikinis  
On sandy beaches rivers and lakes  
Those wintertime blues sure been a bummer  
And I can't wait for the girls of summer

I can't wait for the girls of summer  
All makes all models all styles and shapes  
In their cut off jeans and string bikinis  
On sandy beaches rivers and lakes  
Those wintertime blues sure been a bummer  
And I can't wait for the girls of summer  
I can't wait for the girls of summer  
The girls of summer

Oh, show me what you got  
I like it  
Oh, make my eyes bug out
