

Necrodeath, At The Roots Of Evil

In the beginnig the earth was shapeless desert and darkness covered the abyss

In the beginning instict prevailed men and animals disobeyed the law

I know the fear

Cain was his name he lifted the hand against his brother and against the human race

Cain was his name the blood gushed out the law was denied and evil rose up

I know the fear at the roots of evil I see the light

I know the pain at the roots of evil I see the way

They thought to know the time of day but emperors

and preachers have not been able

To stop the evil power because his nature was stronger

under the supremacy of the flesh everybody had to be attacked

Only who really knows very well his nature can control

the power otherwise you're dominated

This is obvious of our destiny trapped in a timeless void

Only who really...

SIC ERGO VERO EST ALIQUID QUO MAIUS COGITARI NON POTEST

UT NEC COGITARI POSSIT NON ESSE HOC ES TU: Mater of all evil

In the beginnig instict prevailed
