

Necrophagia, Conjuring The Unnamable

Invoked upon alters
Stained with blood
Abominated waters
Purify the beast

Unforgiven
Let the shackles crack
The devil times five

Rise
The cleansing pain (of birth)
Abominated kingdoms fall

Death comes slowly
Absinth falls like rain
Succubus child awaken

Black heart beating
Do you feel alive
Midnight necromancy

I invoke thee
I invoke thee
I invoke thee
With no name
