

# Necrophagia, Maim Attraction

For each single hit  
Time slowly ticks away  
Life has never been more depraved  
Will you last an hour  
For what it's worth  
No skills needed to perform the slay  
A gratifying sacrifice  
The undisputed highlight of the day

Instant bliss  
Is to cast the first stone  
Constant bliss  
Is to cast the last

Hammering thunders forth  
Succumbing to the mass hypnosis  
Triggered by the current event  
Tortures reaches a new barrier  
Abrupt incomprehensive behaviour  
Completion of the latest endeavor  
The older weapons of mankind  
Leave all evolution behind

Disfiguration scores the game  
Violence has a new name  
Flesh nailed to the ground  
Flares of rage compound  
Ecstasy beyond control  
Last breath through open wounds  
Humanity public persecution
