Automate

Automation drives their need
Satisfied by facility
Acclimation depicts their view
Naive to their security
They dull their own perception
Minimizing their reflection
Leave their minds in cruise control
Not absorbing information

Automate

Seeking comfort by design
They quantify their trust in patterns
Satisfied by no exertion
Stranded by their ill conception
They dull their own perception
Minimizing their reflection
Leave their minds in cruise control
Not absorbing information

They are taken by lack of substance
Simple minds that crave direction
Let technology drive their essence
As they claim to embrace the future
