## Neil Diamond, A Stranger In Paradise

Take my hand, I'm a stranger in paradise All lost in a wonderland A stranger in paradise If I stand starry-eyed That's a danger in paradise For mortals who stand beside An angel like you I saw your face And I ascended Out of the common place Into the rare Somewhere in space I hang suspended Until Ĭ know There's a chance that you care Won't you answer this fervent prayer Of a stranger in Paradise Don't send me in dark despair From all that I hunger for But open your angel's arms To this stranger in paradise And tell him that he need be A stranger no more
