

Neil Diamond, Carmelita's Eyes

Quizas algun dia
La encuentre otra vez alli
En una frontera
Me robo el corazon
Yo sabia que a ella la perdia
Vi todoun mundo en
Camelita's eyes

She took me somewhere,
Somewhere that's far beyond
Was going no where
And I couldn't go for long

The waitin' and prayin'
Was makin' me tell myself lies
And all I could see was my
Carmelita's eyes
Vi todoun mundo en
Carmelita's eyes

How did I live it before?
I just don't understand
Afraid that she'd read me and
Finally deceive me
I closed my eyes and I ran
But I want to be
Carmelita's man
Hey, hey

Yes I lost her 'cross the border
It was higher than I realize
And I left my whole world in
Carmelita's eyes
Vi todoun mundo en
Carmelita's eyes
I saw the whole world in
Carmelita's eyes
Vi todoun mundo en
Carmelita's eyes
I saw the whole world in
Carmelita's eyes
