

# Neil Diamond, Free Life

Free life  
Scratch on my head  
Pick me a tune  
Sing it like a black man  
Oh, oh, oh, mm, mm, mm

Aw Free life  
You know my name  
I'll leave on a light  
And burn it in the window  
Oh, oh, oh, mm, mm, mm

Talking 'bout round, brown ladies  
And maybe some wine  
All be fine

If she ain't no belle, hell, it's okay  
I won't pay no mind  
We'll just have us a time

Free life  
I'll wait right here  
But I ain't no kid  
Believin' in the bible  
Oh, oh, oh, mm, mm, mm  
Ah, free life
