

Neil Diamond, Heartlight

Come back again
I want you to stay next time
'Cause sometimes the world ain't kind
When people get lost like you and me

I just made a friend
A friend is someone you need
But now that he had to go away
I still feel the words that he might say

Turn on your heartlight
Let it shine wherever you go
Let it make a happy glow
For all the world to see
Turn on your heartlight
In the middle of a young boy's dream
Don't wake me up too soon
Gonna take a ride across the moon
You and me

He's lookin' for home
'Cause everyone needs a place
And home's the most excellent place of all
And I'll be right here if you should call me

Turn on your heartlight
Let it shine wherever you go
Let it make a happy glow
For all the world to see
Turn on your heartlight
In the middle of a young boy's dream
Don't wake me up too soon
Gonna take a ride across the moon
You and me

And home's the most excellent place of all
And I'll be right here if you should call me
Turn on your heartlight
Let it shine wherever you go
Let it make a happy glow
For all the world to see
Turn on your heartlight
In the middle of a young boy's dream
Don't wake me up too soon
Gonna take a ride across the moon
You and me
Turn on your heartlight now
Turn on your heartlight now
