Neil Diamond, Hello Again

Hello again, hello Just called to say hello I couldn't sleep at all tonight And I know it's late But I couldn't wait

Hello, my friend, hello Just called to let you know I think about you ev'ry night When I'm here alone And you're there at home, hello

Maybe it's been crazy And maybe I'm to blame But I put my heart above my head We've been through it all And you loved me just the same And when you're not there I just need to hear

Hello, my friend, hello It's good to need you so It's good to love you like I do And to feel this way When I hear you say, hello

Hello, my friend, hello Just called to let you know I think about you ev'ry night And I know it's late But I couldn't wait Hello
