

# Neil Diamond, Merry-Go-Round

The rich and the poor  
The rich got a maid  
And she takes all the kids to the zoo  
It's true  
The poor got no maid  
So they pack up their kids and go, too

And I ask myself  
What it's all about  
If the things that I want,  
Are the things that really count  
Merry-go-round  
Merry-go-round  
Yeah, Merry-go-round

The good and the bad  
Seems like there ain't much difference  
Between the two  
It's true  
The bad cheat someone and get caught  
While the good never do

And I'm wonderin'  
And I start to doubt  
I've been runnin' so long  
Ain't it time to turn around  
Merry-go -round  
Merry-go-round  
Yeah, Merry-go-round

And I ask myself  
What it's all about  
If the thinks that I want  
Are the things that really count  
Merry-go-round  
Merry-go-round  
Yeah, Merry-go-round

Merry-go-round  
Merry-go-round  
Merry-go-round
