

Neil Diamond, Miss Lonely Hearts

Miss Lonely Hearts, please lend a hand
My one and only love is with another man
Can you tell me why my baby said goodbye?
She didn't even try
Miss Lonely Hearts

Miss Lonely Hearts, What can I do?
Oh how it hurts to know
The one you love's untrue
Will you hear my plea? Oh what can it be?
Why can't we both agree
Miss Lonely Hearts

You've helped so many find their way
Just give the word and I'll obey

Miss Lonely Hearts, what can I do?
Oh how it hurts to know
The one you love's untrue
Will you hear my plea? Oh what can it be?
Why can't we both agree
Miss Lonely Hearts
