

Neil Diamond, Red, Red Wine

Red, red wine
Go to my head
Make me forget that i
Still need her so
Red, red wine
Its up to you
All I can do, Ive done
But memories wont go
No, memories wont go
Id have sworn
That with time
Thoughts of you
Would leave my head
I was wrong
And I find
Just one thing
Makes me forget
Red, red wine
Stay close to me
Dont let me be alone
Its tearing apart
My blue, blue heart
