Neil Diamond, Sir Duke

Music is a world within itself
With a language we all understand
With an equal opportunity
For all to sing, dance and clap their hands
But just because a record has a groove
Don't make it in the groove
But you can tell right away at letter A
When the people start to move

They can feel it all over They can feel it all over people They can feel it all over They can feel it all over people

Music knows it is and always will Be one of the things that life just won't quit But here are some of music's pioneers That time will not allow us to forget For there's Basie, Miller, Satchmo And the king of all Sir Duke And with a voice like Ella's ringing out There's no way the band can lose

You can feel it all over You can feel it all over people You can feel it all over You can feel it all over people
