

Neil Diamond, The Shelter Of Your Arms

In this cold world
No matter where I go
The crowds are all the same

To them I'm just
A pebble in the sand
A face without a name
Nobody gives a hang
For what I say or do
But you

And in the shelter of your arms
I find peace and comfort and care
For I am wanted there

In this cold world
You struggle to survive
And sometimes
You can fall
You think someone
Would lend a helping hand
They'd sooner see you crawl
But just when life itself
Seems more than I can bear
You're there

And in the shelter of your arms
I can find strength and safety and then
I rise and start again

Just give me one good reason
To go on living
To keep on trying
For what I ask you, for what
If not for you
And all your love to see me through

But just when life itself
Seems more than I can bear
You're there
And in the shelter of your arms
I can find strength and safety
And then
I rise and start again
