

# Neil Diamond, Yes I Will

Yes I will  
Indeed I will  
If I may, if I might  
If I can

Once upon a passing night dream  
He beheld a mystic image  
Bathed in blue reflection  
Then he stood and made his song

Closed his eyes to feel the thunder  
Echo like a wave around him  
Love was in this strange house  
And he knew he did belong,  
Yes he did belong  
Yes I will,  
'Deed I will, if I can

And cold it was within the marrow  
Waiting like the wounded sparrow  
Helpless and forgotten  
While the radio played on  
Sing your song you fool, you dreamer  
Cross the space that lies between us  
Cast the stones of fortune  
For the journey has begun,  
Yes it has begun

So you do,  
So you want to be giving  
Say it out loud if you need to be holy  
So you do,  
So you want to be loving  
Say it out now  
If you need to be holier still

[added Quad lyrics only:]  
Say you do, Say you want to be giving  
Say it out loud if you need to be holy,

And you do and you want to be loving  
Say it out now  
If you need to be holier still

So it seems or so it may be  
I can't know for sure but lately seems  
I'm on a journey  
To a place I've never been

And baby if I had the answers  
I would lay them all before you  
Plainly it's a circle,  
One that ends and then begins,  
And begins again  
Yes I will,  
'Deed I will if I can
