Neil Diamond, Yes I Will

Yes I will Indeed I will If I may, if I might If I can

Once upon a passing night dream He beheld a mystic image Bathed in blue reflection Then he stood and made his song

Closed his eyes to feel the thunder Echo like a wave around him Love was in this strange house And he knew he did belong, Yes he did belong Yes I will, 'Deed I will, if I can

And cold it was within the marrow Waiting like the wounded sparrow Helpless and forgotten While the radio played on Sing your song you fool, you dreamer Cross the space that lies between us Cast the stones of fortune For the journey has begun, Yes it has begun

So you do,
So you want to be giving
Say it out loud if you need to be holy
So you do,
So you want to be loving
Say it out now
If you need to be holier still

[added Quad lyrics only:]
Say you do, Say you want to be giving
Say it out loud if you need to be holy,

And you do and you want to be loving Say it out now If you need to be holier still

So it seems or so it may be I can't know for sure but lately seems I'm on a journey
To a place I've never been

And baby if I had the answers I would lay them all before you Plainly it's a circle, One that ends and then begins, And begins again Yes I will, 'Deed I will if I can
