Neil Diamond, Yes I Will / Lady Magdelene Medle

Yes I will Indeed I will If I may If I mi

If I may, If I might

If I can

Once upon a passing night dream

He beheld a mystic image

Bathed in blue reflection

There he stood and made his song

Closed his eyes to feel the thunder

Echo like a wave around him

Love was in this strange house

And he knew he did belong,

Yes he did belong

Yes I will, 'Deed I will,

If I may, If I might

If I can.....

Cold it was within the marrow

Waiting like a wounded sparrow

Helpless and forgotten

While the radio played on

Sing your song you fool, you dreamer

Cross the space that lies between us

Cast the stones of fortune

For the journey has begun,

Yes, it has begun

So you do.

So you want to be giving

Say it out loud if you need to be holy

So you do,

So you want to be loving

Say it out loud

If you need to be holier still

So you do,

So you want to be giving

Say it out loud if you need to be holy

So you do,

So you want to be loving

Say it out now

If you need to be holier still

The man on the right is a man undone

He'd give you his soul

If you asked him for some

A child in his way

For he needs to believe

That love is a song for each man to sing

Lady Magdelene,

I can hear your distant trumpet

Calling from the morning mountain

Singing to the passing river

Take me home,

Show me peaceful days

Before my youth has gone

Lady Magdelene,

Make the sound of silent thunder

Calling from the lips of Abraham

Make a sound that we may wonder,

Who we are

Take us to your soul

For we have wandered far

Yes I will, 'Deed I will

If I may, If I might

If I can....
