

# Neil, Golf Girl

Standing on a golf course  
Dressed in PVC  
I chanced upon a golf girl  
Selling cups of tea  
She asked me did I want one  
Asked me with a grin  
"For a threepence you can have one  
Full right to the brim"  
So of course I had to have one  
In fact I ordered three  
So I could watch the golf girl  
Could see she fancied me

Her name was Pat  
And we sat under a tree  
She kissed me

Well, she said she would  
If I went away again really quickly

She asked me did I want one  
She hadn't gone all day  
Then she would call the policeman  
If I didn't go away  
So of course I had to have one  
In fact I ordered three  
So I could watch the golf girl  
Could see she fancied me  
And later on the golf course  
After drinking tea  
It started raining golf balls  
And she protected me

Her name was Pat  
Yeah  
And we sat under a tree  
She kissed me

We'd go for walks  
(Go for walks)  
In the fine weather  
(In the fine weather)  
In the all together

Hey, I just had a really great idea  
Why don't we take off all our clothes  
And jump in the sand pits  
Oh, come on  
Oh, it's a bit wet  
Yeah  
Yeah, brilliant  
Come on  
Oh look, I found some golf balls

Yeah  
Oh, that was brilliant  
Can I have my clothes back now

Hey, you're not a golf girl  
(No, Neil, I'm your fairy godmother  
And I've come to shop you to the police  
You dirty little bastard)

Oh no

(Get in that van, slick)  
Ow  
Are you the nice policeman or a nasty one  
Ow

Standing on a golf course  
Drinking cups of tea  
I chanced upon a golf girl  
Dressed in PVC  
And later on the golf course  
After drinking tea  
It started raining policemen  
And they arrested me

(This is really serious)  
I was only jumping in the sand pits  
(You're gonna get ten years for this)  
Ow  
(Now, hold out your hands  
While I kick you in the bollocks)  
Aren't you going to say  
"Anything you say will be taken down  
And used in evidence" against me  
And then I can say "trousers"  
And it be, like, a really good joke  
Ow  
Ow.
