

Neil Sedaka, Alice In Wonderland

It coulda been me but it was you
Who went and bit off a little bit more than he could chew
You said that you had it made, but you been had
The woman no good, no how, thinkin' maybe the blood is bad
Bad (ba-a-ad) blood (blo-o-od)
The woman was born to lie
Makes promises she can't keep
With the wink on an eye
Bad (ba-a-ad) blood (blo-o-od)
Brother, you've been deceived
It's bound to change you mind
About all you believe
>From where I stand, it looks mighty strange
How you let a woman like that treat you like small change
I don't understand what you're lookin' to find
The only thing bad blood do is mess up a good man's mind
SPOKEN: Hear me talkin' now
Bad (ba-a-ad) blood (blo-o-od)
The bitch is in her smile
The lie is on her lips
Such an evil child
Bad (ba-a-ad) blood (blo-o-od)
Is takin' you for a ride
The only good thing about bad blood
Is lettin' it slide
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Bad blood, talkin' 'bout bad blood
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Doo-ron, doo-ron, di di, dit, dit, ron-ron
Bad blood
SPOKEN: Here we go
Bad (ba-a-ad) blood (blo-o-od)
The bitch is in her smile
The lie is on her lips
Such an evil child
Bad (ba-a-ad) blood (blo-o-od)
Is takin' you for a ride
The only thing good about bad blood
Is lettin' it slide
The only good thing about bad blood
Is lettin' it slide
