

# Neil Sedaka, Sweet Little You

Ah baby I'm so in love,  
I never get enough of.  
You got the hand that I love to hold,  
you got a love that won't go cold.  
You got a kiss that thrills my soul,  
sweet little you

You make me feel so fine,  
and I'm so glad that you're mine.  
You say the words that I love to hear,  
you got a way that's so sincere.  
I just go wild every time you're near,  
sweet little you.
