Neil Young & Crazy Horse, Fuckin' Up

Mindless drifter on the road Carry such an easy load It's how you look, and how you feel You must have a heart of steel.

Why do I keep fuckin' up?

I can see you on a hill Comatose but walking still Curves beneath your flowing gown Only I could bring you down.

Why do I keep fuckin' up?

Dogs that lick and dogs that bite Hounds that howl through the night Broken leashes are all over the floor Keys left hanging in a swinging door.

Why do I keep fuckin' up?

Keep fuckin' up!
