

Neil Young & Crazy Horse, Let's Impeach The President

Let's impeach the President for lying
And misleading our country into war
Abusing all the power that we gave him
And shipping all our money out the door

Who's the man who hired all the criminals
The White House shadows who hide behind closed doors
They bend the facts to fit with their new stories
Of why we have to send our men to war

Let's impeach the President for spying
On citizens inside their own homes
Breaking every law in the country
By tapping our computers and telephones

What if Al Qaeda blew up the levees
Would New Orleans have been safer that way
Sheltered by our government's protection
Or was someone just not home that day?

Where - "All that I can tell you is that Osama Bin Laden is a prime suspect."

Where - "I want him held...I want justice...dead or alive"

Lie - "I don't know where he is... I don't spend that much time on him."

Where - "Saddam Hussein aids and protects terrorists..."

Lie - "...Including members of Al Qaeda."

Where - "I know I didn't say there was direct connection between September 11th..."

Lie - "...and Saddam Hussein."

Where - "War is my last choice."

Lie - "We're gonna smoke 'em out...bring 'em on."

Where - "When you think Patriot Act.. constitutional (q)Guarantees are in place."

Lie - "A wiretap requires a court order"

Where - "Saddam Hussein has got weapons of mass destruction"

Lie - "Although we have not found stockpiles of weapons of mass destruction."

Where - "And it is true that most of the intelligence turned out to be wrong."

Lie - "No one can now doubt the word of America."

Let's impeach the President for hijacking
Our religion and using it to get elected
Dividing our country into colors
And still leaving black people neglected

Thank God he's cracking down on steroids
Since he sold his old baseball team
There's lots of people looking at big trouble
But of course our President is clean.

Thank God
