

# Neil Young & Crazy Horse, Mansion On The Hill

Well, I saw an old man walkin' in my place  
When he looked at me, it could've been my face  
His words were kind but his eyes were wild  
He said "I got loath to love, but I want one more child";

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill.

Around the next bend, take the highway to the sun  
Or the rocky road, it really don't matter which one  
I was in hurry but that don't matter now  
'Cause I had to get off of that road of tears somehow.

There's a mansion on the hill  
Psychedelic music fills the air  
Peace and love live there still  
In that mansion on the hill.
