

Neil Young & Crazy Horse, Opera Star

So your girlfriend slammed the door shut
In your face tonight, but that's all right
Then she took off to the opera
With some highbrow from the city lights
Well, you grew up on a corner
You never missed a moonlit night

Some things never change, they stay the way they are
You were born to rock, you'll never be an opera star
You were born to rock, you'll never be an opera star

So you stay out all night
Gettin' fucked up in that rock and roll bar
And you never get tired
'Cause your drugs are in a little jar

You were born to rock and you'll never be an opera star
Some things never change, they stay the way they are

I was born to rock!

So your girlfriend slammed the door shut
In your face tonight, but that's all right
Then she took off to the opera
With some highbrow from the city lights
Well, you grew up on a corner
You never missed a moonlit night

Some things never change, they stay the way they are
You were born to rock, you'll never be an opera star
