

# Neil Young & Crazy Horse, Over And Over

At night when the sky is clear and the moon is shining down  
My heart goes running back to you  
I love the way you open up and let me in  
So I go running back to you,  
Over and over again.

Over and over again my love  
Over and over again with you  
Over and over again my love  
Over and over again with you.

Remember the nights of love and that moment on the beach  
That wasn't really too long ago  
But we paid the price of time, and now it's out of reach  
And so the broken circle go,  
Over and over again

Over and over again my love  
Over and over again with you  
Over and over again my love  
Over and over again with you.

Somewhere in a fire of love, our dreams went up in smoke  
We danced beneath silver rain  
Upon the fields of green, where time was just a joke  
And now the feeling's just the same,  
Over and over again.

Over and over again my love  
Over and over again with you  
Over and over again my love  
Over and over again with you.
