

Neil Young & Crazy Horse, Vampire Blues

I'm a vampire baby
Suckin' blood from the earth
I'm a vampire baby
Suckin' blood from the earth
Well i'm a vampire baby
Sell ya twenty barrels worth

I'm a black bat baby
Bangin' on your window pane
Well i'm a black bat baby
Bangin' on your window pane
I'm a black bat baby
I need my high octane

Good times are coming
I hear it everywhere i go
Good times are coming
I hear it everywhere i go
Good times are coming
But they're sure comin' slow

Well i'm a vampire baby
Suckin' blood from the earth
I'm a vampire baby
Suckin' blood from the earth
Well i'm a vampire baby
I'll sell ya twenty barrels worth

Good times are comin'
guitar solo
