

Neil Young & Crazy Horse, What Did You Do To

When we were living together
I thought that I knew you would stay.
Still when you left me
I tried to pretend we could make it some way.

I don't care if all of the mountains
Turn to dust in the air.
(What did you do to my life?)
It isn't fair that I should
Wake up at dawn
And not find you there
(What did you do to my life?)

It's hard enough losing
Without the confusion of knowing I tried.
But you've made your mind up
That I'll be alone now there's nothing to hide.

I don't care if all of the mountains
Turn to dust in the air.
(What did you do to my life?)
It isn't fair that I should
Wake up at dawn
And not find you there
(What did you do to my life?)
