

Neil Young, Doghouse

Well, I came home late one night
And much to my surprise
I was thrown
right across the kitchen floor
She hit me right between the eyes.
Now I'm living
in the doghouse, doghouse
Doghouse, doghouse,
Doghouse, doghouse.

I was out with a friend of mine
We were feeling mighty fine
And we sure was movin' fast
And I didn't make it back on time
And she put me
in the doghouse, doghouse
Doghouse, doghouse,
Doghouse, doghouse.

I had a big tall red
with one of my friends
He was feeling mighty fine
When I came home late that night
She hit me right between the eyes
And she put me
in the doghouse, doghouse
Doghouse, doghouse,
Doghouse, doghouse.

She put me in the doghouse,
Doghouse, doghouse,
I'm living in the doghouse,
Doghouse, doghouse,
Doghouse, doghouse.

So if you find yourself
in a party mood
Let your conscience be your guide
Don't be like me and let Lefty win
Or you'll find yourself outside
Living in the doghouse, doghouse
Doghouse, doghouse,
Doghouse, doghouse.
