

Neil Young, Everybody I Love You

Know you got to run,
Know you got to hide
Still there is a great life
Lingerin' deep within your eyes.

Open up, open up, baby let me in.

You expect for me to love you
When you hate yourself, my friend.

Everybody, I love you
Everybody, I do

Though your heart is in anger
I need your love to get through
When I tell you I love you
You can believe that it's true

Everybody, I love you
Everybody, I do.
