Neil Young, Everybody's Alone

If you're looking for me
You'll find me
resting in the shade
Of the mountains and trees
Beneath the cool summer breeze
And I don't mind if you stay
Everybody's alone
Everybody's alone

People talking to me
Someone saying
that I'm not the same
That's not so easy to be
But when I'll learn to be free
I wonder if I'll miss the pain
Everybody's alone
Everybody's alone

All I want you to know
Is that I love you so much
I can hardly stand it
When everybody's alone
Everybody's alone
Everybody's alone
Everybody's alone
