

Neil Young, Feel Your Love

High on a balcony,
right where we used to be,
This city dancing
like a sparkling sea.
I wanna catch a wave,
I wanna swim to shore.
Walk on that same beach
like I did before.

I really want the sun,
want the sun to rise,
I really want
to end the night.
I really wanna feel,
wanna feel your love.
I wanna feel your love.

I think of our old friends,
I count my enemies.
I hear you tell me how
I don't know love.
I wanna feel your love,
I wanna lay right down.
Wish I was swimming
in the sound of love.

I really want the night,
want the night to end.
I really want
the sun to rise.
I really wanna feel,
wanna feel your love.
I wanna feel your love.

And now the night is still,
the mansion on the hill,
The children sleeping
in their endless dreams.
I wanna feel your love,
I wanna feel your love,
I wanna feel your love,
feel your love,
feel your love.

I wanna feel your love,
I wanna feel your love,
I wanna feel your love,
feel your love,
feel your love.
