

# Neil Young, Let's Impeach The President

Let's impeach the President for lying  
And misleading our country into war  
Abusing all the power that we gave him  
And shipping all our money out the door

Who's the man who hired all the criminals  
The White House shadows who hide behind closed doors  
They bend the facts to fit with their new stories  
Of why we have to send our men to war

Let's impeach the President for spying  
On citizens inside their own homes  
Breaking every law in the country  
By tapping our computers and telephones

What if Al Qaeda blew up the levees  
Would New Orleans have been safer that way  
Sheltered by our government's protection  
Or was someone just not home that day?

Flip - Flop  
Flip - Flop  
Flip - Flop  
Flip - Flop

Let's impeach the president for hijacking  
Our religion and using it to get elected  
Dividing our country into colors  
And still leaving black people neglected

Thank god he's cracking down on steroids  
Since he sold his old baseball team  
There's lots of people looking at big trouble  
But of course our president is clean.

Thank God
