

Neil Young, Let's Impeach The President

Let's impeach the President for lying
And misleading our country into war
Abusing all the power that we gave him
And shipping all our money out the door

Who's the man who hired all the criminals
The White House shadows who hide behind closed doors
They bend the facts to fit with their new stories
Of why we have to send our men to war

Let's impeach the President for spying
On citizens inside their own homes
Breaking every law in the country
By tapping our computers and telephones

What if Al Qaeda blew up the levees
Would New Orleans have been safer that way
Sheltered by our government's protection
Or was someone just not home that day?

Flip - Flop
Flip - Flop
Flip - Flop
Flip - Flop

Let's impeach the president for hijacking
Our religion and using it to get elected
Dividing our country into colors
And still leaving black people neglected

Thank god he's cracking down on steroids
Since he sold his old baseball team
There's lots of people looking at big trouble
But of course our president is clean.

Thank God
