## Neil Young, People On The Street

People on the street need a place to go
People on the street need a place to go
Walkin' with the beat if it's not too slow
Walkin' with the beat if it's not too slow
When the night's dark shadow falls
On the sidewalk scenes and the concrete canyon walls.

People on the street need a place to go People on the street need a place to go.

Walkin' through the night up and down the avenue Lookin' for a place, A place to go, A place to go.

There's a muffled scream from the alley scene From the alley scene comes a muffled scream And the siren wails while the system fails In the steaming heat people walk in the street People can't run and hide If you want to feel good then you gotta feel good inside.

People on the street need a place to go People on the street need a place to go.

Rising through the grates come the fumes of industry Floating to the sky Keep walkin' with the beat, walkin' with the beat Keep walkin' with the beat walkin' with the beat When the night's dark shadow falls On the sidewalk scenes and the concrete canyon walls.

People on the street need a place to go People on the street need a place to go.
