

# Neil Young, Rainin' In My Heart

Rainin' in my heart  
Since we been apart  
I know I was wrong  
Baby please come home

You got me cryin'  
'Bout to lose my mind  
Don't let me cry in vain  
Try my love just once again

Spoken:  
Honey, I need your love  
Darlin', you know why  
If you would come back home  
There'll be no need for me to cry

Sings:  
Rainin' in my heart  
Since we been apart  
I know I was wrong  
Baby please come home
