

Neil Young, Rainin' In My Heart

Rainin' in my heart
Since we been apart
I know I was wrong
Baby please come home

You got me cryin'
'Bout to lose my mind
Don't let me cry in vain
Try my love just once again

Spoken:
Honey, I need your love
Darlin', you know why
If you would come back home
There'll be no need for me to cry

Sings:
Rainin' in my heart
Since we been apart
I know I was wrong
Baby please come home
