

# Neil Young, Spirit Road

There's a long highway in your mind  
The spirit road that you must find  
To get you home to peace again  
Where you belong my love lost friend

When you're alone  
You cheat yourself  
You paint yourself in a dark, dark place

You get your shoes  
And get your hat  
Get out here while you still can  
There's nothin' right that you can say  
You keep on talkin' anyway and everyone seems to turn on you  
There's nothing right that you can ever do

Spirit road  
Spirit road  
Spirit road  
Spirit road

Now you're on that long highway in your mind  
The spirit road that you had to find  
You're headed home to peace again  
Where you belong my love lost friend

You stop to eat  
You start to drink  
But you don't stop and you don't think  
You lost your keys  
You're on your knees  
You're on your back and lookin' up in the trees

And the night swirls for a little girl  
A speck of dust in the giant world  
There's a spirit road that you must find  
A long highway in your mind

Spirit road  
Spirit road  
Spirit road  
Spirit road

There's a long highway in your mind  
The spirit road that you must find  
To get you home to peace again  
Where you belong my love lost friend

Don't feed that snake  
That turns on you  
You starve it out, that's what you do

And it makes you lie  
It makes you cheat  
It steals your shoes and cuts your feet

The snake keeps feeding through the night  
You lose your soul without a fight  
There's nothin' right that you can say  
You keep on talkin' anyway

There's a long highway in your mind  
The spirit road that you must find  
Peace again

Peace again

There's a long highway in your mind  
The spirit road that you must find  
To get you home to peace again  
Where you belong my love lost friend

When you're alone  
You cheat yourself  
You paint yourself in a dark, dark place

Get your hat  
Get your shoes  
Get out here while you still can still choose

Spirit road  
Spirit road  
Spirit road  
Spirit road

Spirit road  
Spirit road  
Spirit road  
Spirit road
