

Nek, Cielo Y Tierra (w/Dante Thomas)

(feat. Dante Thomas)

Escribo tu nombre amigo mio
Hoy en tu ados triste y vaco
Inevitable debe ser
Preguntar por eso
Si pudiste hacerme ver
Que eras debil y por qu

Where was I when you tumbled down
Oh when you needed me around
I think about you without me
Y mi recuerdo al navegar
The anger you needed to hide
De repente vuelvo a estar all ahora

T eras el cielo y yo la tierra
Y cada uno una mitad
En cada duda, en cada realidad
T eras la sangre y yo las venas
La misma luz en el cuerpo, en el alma

Sad is the soul that walks alone
Cold is the wind, hard is the road
Si hay un culpable, yo sere
Si es que te sientes solo
Came into my life again
Y dos latidos se unirn
And time would never make us feel betrayed
And on that day

Heaven and earth wed walk as angels
Heaven and earth wed shine like friends
Ocean and sky wed search our eyes and there
Find ourselves
Heaven and earth as close as brother
Heaven and each others innocent hearts so well

As, mientras yo me alejo todava
A vivir mi vida
And let the early hours bring us home
Again
Bring us home again
Grande y para siempre

T eras el cielo y yo la tierra
Heaven and earth wed shine like friends
Heaven and earth as close as brothers
And now that weve come home again
now that weve come home again
