

Nekromantix, Curse Of The Coffin

born in 1989 destined to spread out fear
twisted minds are torn apart but fear is shining
through feel that burning deep inside
our brains are set on fire sex drugs horrornights
and rock 'n' roll are our desires
you might think you are safe at home
but fear is shining through
nekroman on the run is reaching out for you
soon you will wake up and realize our force
is in your mind visit our dimensions now
and leave the rest behind
